GENERAL COMMITTEE

General Members of the Committee: Matt Warren, Sandra Bednarek, James Imrie, Lynette Imrie, Emma Norris, Steve Dickson, Brianna Norris

SOLICITOR

Alf Fairbairn

AUDITOR

Tina Walker

PRESIDENT'S REPORT

This is my fourth and final report as President of the club as I am not standing for the role in the forthcoming year. Having been involved with the club for over 60 years it is time to stand aside.

As I reflect on the years there have been many interesting highlights. After operating for nearly 50 years, the club first admitted females as members in the early 1960s. As can be seen from the photos on the walls they were very successful in District and National competitions, as well as providing great lifeguarding services. The club built a new clubhouse in 1965 and relocated from what is now the Memorial Hall. We are now well through the planning for a replacement for that clubhouse, hopefully completed within the next couple of years. During the time when venues for National Championships moved around the country, our club successfully hosted them twice. I attended many memorable National championships as a competitor, coach and official but one sticks in the mind, being held in Warrington out of Dunedin, where it snowed on the beach!

Throughout all this, the club has grown. It has a very strong nippers' section which continues to feed young members through to become quality lifeguards and competitors. From its early days the bulk of membership came from the Paekākāriki community, then extended to recruiting from Raumati and Tawa swimming clubs, to now having members from all over the Wellington region. I believe that we are a family-oriented club with strong parent support that is attracting membership, which has put us into a strong position.

Although Covid19 has been a major influence on operations we were fortunate that the National Championships were completed just before lockdown. However, a number of other events, such as awards ceremonies, were cancelled or postponed.

In regard to Central Region awards, congratulations to Richard Whinham for obtaining a Distinguished Service award and Elyse Robêrt for obtaining a Service award.

Congratulations also to our recipients from 2019 Surf Life Saving Awards, held in September 2019:

- Richard Whinham, SLSNZ Distinguished Service Award

- Teri Anderson, SLSNZ Service Award
- Lynette Imrie, SLSNZ Service Award
- Sandra Bednarek, SLSNZ Service Award

Lifeguard services continue as a major focus for the club, both on our own and other beaches, and at various events such as triathlons. It is therefore imperative that we have a continuing supply of well-trained lifeguards. The club has been able to do this because of the committed and well qualified instructors putting the time and effort into training and qualifying lifeguards. Many thanks to all those involved.

Congratulations to our athletes who performed with distinction over the season. Many members and teams had successes over the course of the season, and these will be documented elsewhere in this annual report. Many thanks to all those coaching and developing our athletes for their dedication and the time and effort they put into the coaching and development roles. We couldn't do without their expertise and the knowledge and inspiration that they impart to our young athletes.

As I have noted in previous years the club continues to be well served by people willing and able to put in the administrative effort that is so important for the continuing successful running of the club. It is not just luck that the club and members receive recognition awards. I extend my thanks to the Management Committee members for all their efforts and contributions over the last year. Also, thanks to all those who are not on the committee but still contribute on and off the beach in so many ways. This is what makes our club so special.

Dale Wills, President

CHAIR'S REPORT

Every year when I sit down to write the Chairman's report and reflect on the season, I am amazed at the contribution of our membership. Our club is full of unsung heroes who work hard on the beach and behind the scenes to ensure that members can achieve their personal goals and ensure the community is safe while swimming at Paekākāriki Beach. There are too many people to thank individually, but I know that I speak on behalf of the committee and club when I say that we value the contribution of you all.

The junior surf programme is important for the club as these members are our future, Lifeguards, Competitors, and leaders. For many, this is their first taste of Surf Life Saving so it is important that it is a positive experience. The coaches that turn up each week, and encourage and upskill our youngsters, are absolute stars. Thank you all for your contribution and particularly to our Junior Surf coordinators, Sandra and Lynette, for their organisation and expertise.

Congratulations to all those who gained medals at the various championships, and also to all those who competed and put in their best effort. Once again, we have achieved some outstanding results in both team and individual disciplines. Special mention must go to the coaches; Dave, Steve and Rado and Dwight, who have contributed countless hours of their time throughout the season. These guys bring a huge amount of experience and knowledge from their involvement in surf and we can

consider ourselves lucky to have them as our club coaches. Thanks too, to the team managers and parents who help as officials and water safety at various events without people like you, events would not be able to go ahead.

This year we hosted the North Island IRB Championships which was the first national event that has been held at Paekākāriki Beach for a number of years. Paekākāriki turned it on and the conditions were near perfect for the event. The feedback that was received was fantastic. Well done to all involved, specifically Hooky and Richie who played key roles in ensuring the event was such a success.

Amy Spiekerman has once again led the lifeguarding operations within the club. Amy and the lifeguarding committee have done an amazing job over the summer to ensure that high quality patrols are delivered week in and week out. Thank you to this group and to all our volunteer lifeguards who have selflessly given up their time to patrol.

I would like to pay special thanks to Elyse Robêrt for her contribution to the club. Her role has grown immensely over time and she consistently goes over and above for the club and the membership.

The impact of COVID-19 meant that IRB nationals were cancelled, which I know would have been disappointing for our IRB crews that were working hard towards this event. Hopefully it fuels their motivation for next season, and that they come back hungrier than ever for success. COVID also impacted the ability for us to recognise our club award winners at the club prize giving, and while they have been announced on the club social media platforms. I would like to once again congratulate them for their efforts this season. They are:

- Mike Ward – Lifeguard of the Year
- Peter Jones (PJ) – Volunteer of the Year
- Sarah Warren – Young Lifeguard of the Year
- Dwight Garton – JP IRB Shield
- Brianna Norris – Instructor of the year
- Shane Radovanovich – Coach of the Year
- Richard Whinham – Official of the Year
- U23 Women’s Boat crew – Team of the Year
- Georgia Ballentyne – Sportswoman of the Year
- Alex Cecioni – Sportsman of the Year

The club rebuild continues to be a major focus for the club especially with Greater Wellington Regional Council announcing the Managed Retreat Plan for Queen Elizabeth Park, of which we are directly affected. There has been a huge amount of work happening behind the scenes here, and we are very close to reaching our first significant milestone in securing a lease for the site. Once this happens things will really start to move, and it will require a full club effort to get this exciting project completed.

The club cannot continue to operate without the strong support of our sponsors, funding distributors and the community. Without your continued support, our club would not be able to provide the services we do. We thank you sincerely for this.

This will be my last report as Chairman. I have enjoyed working with all of the wonderful people in the club over the last five years, but due to personal circumstances feel that now is the right time to hand over to someone else that can do the role justice and move the club forward. This is of course, not the end of my relationship with the club. I look forward to getting my nippers involved (more consistently) in future seasons. Thanks again for the opportunity to chair this great group of people, whom I consider friends. I wish my successor all the best and look forward to seeing the club continue to thrive.

Brent Harvey, Club Chair

LIFEGUARDING

We kicked off the 2019/2020 season in October with rookie training. This season we qualified 12 new lifeguards. Rookie training was held over an 8-week period with an overnight camp at the end.

This camp is designed to immerse them in lifeguard-life and ensure they are ready to sit their exam, with candidates having to put their skills to the test in a number of scenarios and mock exams. Brianna Norris took the lead on lifeguard training this year and did an outstanding job of ensuring trainings ran smoothly. She was joined by instructors Thomas Downs, Riley Crosbie, Jago Dellow, Ben Strombom, Sarah Warren, Sarah Downs, Grace McCarthy, Katie Trott and Charlotte Meyer.

A special shout out to Thomas, Riley and Ben who on top of lifeguard training also ran our Sunday IRB trainings, this meant spending the majority of their weekends at the beach over the winter as well as patrolling over the summer. We are really lucky to have such a dedicated group of instructors within the club and this shows in the skill level and knowledge of the candidates that Paekākāriki qualifies.

This year we had just under 100 refreshed and actively patrolling lifeguards who completed a total of 2,436 hours of patrolling. It was a busy season for our lifeguards this year, doubling our rescues and assists from the previous season. We performed 6 rescues, assisted 122 people to safety, performed 8 first aids and took part in 1 search.

On top of our regular volunteer patrols and regional guard duties we again took part in lifeguarding events such as the Wellington Ocean swim and Kāpiti Women's Triathlon. Sarah Warren took on the responsibility of 'head of water safety' for both the KWT training swims and the main event stepping up to the challenge of this new role extremely well. The organisers of the KWT were pleased with the professionalism and skill level shown by all guards involved.

Many members continued to work on their development throughout the season with a large number of guards gaining first aid, VHF, and IRB crews. Unfortunately, the 19/20 season was cut short due to Covid-19 and the country going into lockdown; with a number of courses, competitions and patrols having to be cancelled. As the situation surround Covid-19 begins to look more promising, planning has begun for the season ahead with the lifeguard subcommittee meeting earlier this month (in person even!) Winter IRB and rookie training planning is happening with the aim of having them up and running in the next couple of months. SLSNZ development courses will also be starting in July with many of our members keen to brush up on their first aid and lifeguard skills.

Exciting things are happening as we look to make some changes to ensure we are providing the best lifeguard services we can, so watch this space.

Amy Spiekerman, Director of Lifeguarding

[SURF LIFEGUARD AWARD RECIPIENTS](#)

Members who have achieved their Surf Lifeguard Award this season: Robbie Strombom, William Buttershaw, Geena Pombo-Vermey, Nikita Cameron-Bennett, Ben Norris, Ava Jones, Lily Keating, Bella Brewer, Mia Litten, Savannah Ward, Matt Burner, Ollie Hourigan.

Reserves: Steve Dickson, Shane Radovanovich, Dwight Garton, Tyler Mills, Elyse Robêrt, Aaron Richardson, Brent Harvey, Ben Flynn, Richard Whinham.

SURF SPORT

DIRECTOR OF SPORT REPORT

As per usual Winter training started off slowly with a lot of our athletes still involved in their winter sport. As things started to warm up and winter sports wound down the numbers at training increased.

Thanks again to "MOANA RD" for enabling the gear trailer to be parked on their premises over the winter training period. Their generosity in putting up with the trailer saves me heaps of time and money. For those that came to Winter training the benefits were clear when we got back to the waves. Putting the hard yards in on the flat harbour water always pays benefits, once you add the pressure of the waves. The benefit of learning to paddle a ski in the flat water was also clear for those first years who made it to winter training and the time in the cold, flat and dark put them well ahead of those who only turned up once we hit the beach. As you can tell from the above comments, I would encourage everyone, but especially the new guys, to attend winter training.

Matt Warren assisted with co-coaching regularly and took the helm when I was unable to make it due to work or family commitments. Thanks again for your support Matt.

Due to lack of interest we did not do any Pool training in the early season this year. It seems we either had swimmers who were committed enough that they trained with a swimming squad or you just plain weren't a swimmer and weren't interested. It was of note that a few of our members committed to some base training with Mana Kayak racing club. This club offers great guidance on Kayak paddling technique and a warm dry Kayak to sit in which is preferable to a ski in the winter months. Anyone with an eye on ski paddling or Ironman should consider the kayaking club.

Thanks to Emma Norris' grant applications the gear was in a really good state and everyone was riding good boards and pretty good skis. Thanks Emma. We will have to wait and see how the funding side of things pans out this year post Coronavirus and the government funding Surf lifesaving.

This year the best weather was probably had over the winter when we didn't see a lot of wind or rain. However, October to February was back to classic Paekak with constant wind and a lot of dirty white-water waves which made structured training difficult. The wild surf also makes keeping everyone safe difficult and during days like that it would be appreciated if parents hung around and helped to keep an eye on the athletes. The weather was so gnarly that our concrete beach access was eroded to the point that it gave way and had to be removed.

We attended the Whangamata Classic and Eastern and Central regionals, with the view that these events are well attended by most of the premier athletes in the country and give our guys the chance to see where they are at in comparison, and to try and foot it with the best. Whilst the teams were small, these comps were enjoyable and team spirit was evident.

Surf sports creates plenty of jobs over and above coaching and managing. These include fixing the gear, trailer towing, trailer packing, accommodation organisation and many more. If you are able to assist with any of these things, please advise me as your help would be appreciated.

This year I thought our young squad competed well and a lot of the guys made massive steps in their surf skills ability. We have a young team who is developing nicely and if we can stick together for a few more years the club will have a great core of highly competitive athletes.

Surf Nationals at Gisborne had a large and challenging surf and I was very proud of the enthusiasm that our guys competed with. Thanks to "Black Dog Consulting" the team looked great in the shirts provided. There was Alex's bronze medal and plenty of near misses which we just need to work on converting into a result.

Thanks to all that have assisted throughout the season. Particular thanks to those that just get on and do stuff year after year that enables our team to attend comps.

See you next year.

Dave Jones, Director of Sport

SURF BOATS

Early July saw the beginning of another preseason for our boaties. Rather than boat sessions as per previous years, July/August saw us begin with regular erg sessions at the club. This gave us the chance to begin getting the fitness up, while still working on technique and enabling new rowers to get their heads around the requirements of rowing. Also, around this time, the club gave the go ahead to order a new surfboat from Australia. The decision was made to purchase a South Coast Surfboat. With the help of grants from Racing Industry Transition Agency, The Lion Foundation, Infinity Foundation and Aqua Heat (through Greg McCarthy) and with fundraising efforts from all our boaties (movie nights, event guarding, quiz nights, some generous parents and a comedy night). We finally got there (\$40,000 approx. landed in NZ), and are now in a great position boat wise heading into the next couple of seasons. Read on to see if we get it in time for nationals!

Once we hit September, we moved our boats down to Mana and kicked into boat sessions, which marked the start of the season proper. Initially mixed crews of ages and sexes were the norm as we began to assess rowers and began to formulate crews. November saw a couple of local carnivals and an opportunity to start putting that early training into action. It was also a last chance for rowers to impress before crews were finalised for the season.

Off on our 1st away trip to the Whangamata classic, we took 4 crews away. 2 x U19 female and 2 x U23 female. In pretty much flat conditions, the U19 girls finished the day 2nd and 4th. The U23 girls came away with 1st and 3rd for the days racing.

As it does, Christmas saw a short break from in boat training, but crews were back and into it at centrals early in the new year, and we were starting to see a couple of crews beginning to establish themselves as crews to watch at the end of the season. 7 crews traveled to Waimarama. Conditions were a small but tricky wave which was enough to catch out the unwary. The open women (Mum's) raced for the 1st time and managed a 4th in the final. A patched together open men also snuck into

their final and grabbed a creditable 4th. The U19 girls (Poppies), grabbed a 3rd for the day, while 3 crews contested the U23 women's division for Paekak with the "Magpies" continuing their early season form with another win, the "Milkshakes" grabbing 3rd and the "all sorts" (a mix of beginner U19's and 23's) managed a surprise 5th in the final despite their inexperience. The U19 men continued their battle with the Titahi Bay crews and got themselves a 2nd for the day.

North Island champs, the final big hit out pre nationals was a mixed bag. Only 4 crews made finals, with the U19 woman finishing 4th (poppies) and 7th (All sorts). The U19 men (Showtime) won themselves a silver, as did the U23 woman (Magpies), who also walked off with the silver. A little disappointing result wise, but a bit of a wake-up call which led to some good work for 6 weeks leading to nationals.

A training weekend in Foxton 2 weeks prior to nationals was the final heavy load weekend and although painful, was enjoyable as we rebuilt towards Gisborne. Good size surf also allowed rowers and sweeps to sharpen the skills and build confidence.

Late Monday night (2 days prior to travel to Gisborne), saw the arrival of our new boat. Named "The Hooky" after our club stalwart and lover of all things surfboat (I may have made that last bit up). We managed a short session Tuesday night for the crews who would row her at nationals and then we were packed and on our way.

Nationals 2020 saw us take 6 crews away. We opted to leave our youngest U19 woman at home, as due to an injury, we struggled to find a replacement for them at short notice. Open woman, Open men, 2 x U23-woman, U19 men, U19 woman took to the sun/rain/wind and great surf of Gisborne for three days and results were a credit to how the crews picked themselves up after the North Islands. The "Mum's" in their 1st season back after starting families, ended up making both their finals which was a pleasing result after juggling the demands of motherhood all season for trainings and on race days (shout out to the Dads who baby sat when required!) The open men were there also (enough said). The U19 men (Showtime) contested a very competitive division to walk away with a bronze in the long course, and silver in the short course. U19 woman (Poppies), grabbed 3rd in their short course final, and 4th in the long. U23 woman (Milkshakes) were 6th in the long course, but the real achievers were the U23 woman (Magpies), who grabbed silver in the short course but were convincing in winning Gold rowing "The Hooky" in the long course final.

The Open men, Showtime and Magpies then combined to pick up a bronze in the surfboat relay final.

So comes the end of another successful season for our boaties. As always, we have many people to thank for their help through the year. Rogan Clark for his continued work providing us with gym/erg and a structured seasons training plan to have us firing at nationals. Peter 'PJ' Jones for his support with transport

and financial backing of his company, Black Dog Consulting. Emma Norris and John Hook for their work with obtaining grants and working the finances to purchase our new boat. Comedy night fundraiser sponsors "Pukeko Rental Managers", and all the parents and supporters who helped us put that night together (\$8000 raised on the night!). Also, for BDC and the Swallow family for their donations on the night. Aqua Heat, Carpentry Plus and SDR Flooring for continued financial support. The Paekakariki Surf Lifeguards management committee, our rowers, and of course our sweeps, Steve Dickson, Richie Whinham, Hayden Keene, Ethan Atkinson, Shane Radovanovich.

Hope everyone is Covid19 free and looking forward to next season.
Thanks for reading.

Rado, Sweep

BOAT CREWS

Open Men (Odd Fellows): Steve Dickson, Josh Temple-Brown, Sam Perry, Jason Perry, Richie Whinham	Open Women (Mums): Rado, Jordan Crosbie, Sophia Bridgewater, Eleanor Craig, Amy Spiekerman
U23 Women (Magpies): Rado, Keely Saunders, Taylor Smith, Gemma Woolcock, Alex Coupe	U23 Women (Milkshakes): Steve, Renee Cameron-Bennet, Dani De Atouguia, Ally Jones, Brianna Norris, Aimee Nobelen
U19 M (Showtime): Richie, Otis Hungerford, Heath Jordan, Jessie Cameron-Bennet, Finn Mills-Grey	U19 Women (Poppies): Steve, Piper Cannel, Grace McCarthy, Sarah Downs, Zoe Swallow U19 Women (All Sorts): Hayden Keene, Tilly Hungerford, Ariana Davis, Rewa Henderson, Bella Brewer, Mickey Jones

IRBs

The season kicked off with a long-distance endurance race at 90 Mile Beach in September. We had one crew competing; Thomas, Ben and Riley came 11th out of a total of 39 crews with a time of 2.38.08. Congratulations to these three on an awesome result in a very tough competition.

This season we had the honour of hosting North Island IRB champs. Paekākāriki put on some spectacular weather and surf and it was great to see so many clubbies getting involved in the weekend which contributed to the event being such a success. There are so many people who deserve to be recognised for the huge amount of organisation that went into the event however a special thanks needs to go to Hooky and Richie for their continued dedication to the club and the sport, without them this event would not have been possible.

On the racing front we had three crews competing from Paekākāriki, one senior men's crew, an open women's and an U19 men's crew. The senior men's crew of Dwight and myself won two golds (Assembly and Mass) and one silver in the single rescue. The woman's crew of Brianna and Amy

made finals in all four of their events while the under 19 men's crew of Otis and Heath made the Assembly final. All crews did exceptionally well especially given this was the first competition for both the open woman and the under 19 men and surf conditions were big. It was great to see our crews competing so well on their home beach.

IRB national champs were due to held in Ruakaka in April however due to Covid-19 and the country going into lockdown this was unfortunately cancelled. Our crews were disappointed to miss out on competing at nationals after training all season however understand and look forward to being back in the boat next season.

We had 6 IRB crewman and 1 IRB driver qualify this season. Congratulations to all those who gained IRB qualifications. This has taken some of the pressure off our existing IRB crew and drivers and we hope to improve on this next season.

Next season is shaping up as a good one with IRB training starting this weekend. Riley and Ben have taken charge of training during the off season and there has been a big interest in IRBs with people wanting to qualify as IRB crew and drivers as well as race in this coming season. We look forward to growing our IRB team and hope to see some new faces in the Paekākāriki tent at North Island Champs next year.

Tyler Mills, IRB Officer

JUNIOR SURF

A great year for Nippers at Paekākāriki. Our season consisted of Sunday afternoons "all nippers" sessions, Tuesday night over 10s board training and Thursday night swimming pool sessions. Additional trainings also took place after Christmas for our more committed, older Nippers.

We are very thankful to Lynette Imrie who organised our Sundays, Marco Cecioni who is our coach and coordinator of the swim sessions and Katie Trott who led Tuesday boards, extra Nipper sessions and coached our Oceans group. Big thanks also to Monique Lepionka, Sarah Sherriff and Dave McKelvie who were huge in helping us at all sorts of sessions during the year. Marco was helped at the pool by Neville Clark, Gabriella Clark, Ron Valentine and Dave McKelvie. These coaches provide a great water experience for many of our youngest members and we would not be able to offer our Thursday swim nights without them, thank you all very much.

We again had a great deal of support from many parents, their help is invaluable, we simply couldn't run our Nippers sessions without parents coaching and assisting, jumping in the water with the kids and generally being all round positive to ensure all had a great time. Coupled with this we had great help from lifeguards, patrol captains, IRB drivers, first aiders all of whom also assisted us greatly each week, basically loads and loads of people to thank, thank you all.

Paekākāriki are extremely fortunate to have a great range of members who officiate at carnivals during the year and we thank Richie Whinham, Jamie Nilsson, Teri Anderson, Nat Perkins and Hooky for their huge help in running our carnivals.

NIPPER RESULTS

Oceans 2020

- Felix Thomas: Bronze Medal U11 boys Flags
- Central Regional Pool Champs:
- Felix Thomas: Gold Medal overall winner of U11 boys

Capital Coast Junior Champs:

- Felix Thomas: 2nd overall for U11
- Hattie Jones: 2nd overall for U12
- Ella Chamberlain: 3rd overall for U12
- Molly Sherriff: 3rd overall for U10
- Asher Thomas: 3rd overall for U10
- Honor Dreaneen: 3rd overall for U9

Central Regional Junior Championships:

- Molly Sherriff: 1st in U10 flags and Sprint
- Asher Thomas: 2nd in U10 flags, 3rd in Sprint
- Felix Thomas: 2nd in U11 flags
- Yasmin Rodda: 2nd in U12 flags
- Board Relay Team of Ella Chamberlain, Chloe Sherriff and Hatti Jones; 2nd U12 Board Relay
- Jack Chamberlain: 3rd in U10 sprint

A team of 13 went away to Oceans with Felix Thomas getting an awesome bronze medal in the U11 flags. Our team really benefited from the extra sessions provided by Katie Trott and other coaches.

Big congratulations to Ava Jones Norris who won our Outstanding Nipper Shield for 2020. Ava won this due to her commitment to training and overall enthusiasm, she was always going above and beyond to help in any way and was an absolute whiz at packing the Nipper trailer.

Our Nipper season could not have functioned without a huge group of people coming together to help in all their various ways. Massive thanks to all those but a special shout out to Lynnne who was awarded a SLSNZ Service Award and a Netball NZ Service Award in the same year, shows what an awesome human she is!

Felix Thomas

NORTH ISLAND IRBS (PAEKĀKĀRIKI)

Gold: Open Men's Assembly

Gold: Open Male Mass rescue

Silver: Open Male Single Rescue

Dwight Garton, Tyler Mills, Patients: Jago Dellow, Amy Dellow

NEW BUILDING

In the past 12 months we have made some good headway with the new building and permissions to build in the park. The season started with the loss of the ramp and the club being forced to develop an alternate beach access. This gained some media attention and with the Greater Wellington Regional Council (GWRC) park plans we have confirmed the position of the new club behind the dune.

During the summer we worked with GWRC to develop plans around the new building position and in the past few months have submitted a lease application and presented to the GRWC environment committee. This was very positive, and the councillors were very supportive of the project. I am confident now that we have a position that we can move ahead with the next stage of planning.

Over the next 12 months we will be able to make some good progress with the new building. The next steps include community and stakeholder engagement, detailed design and engineering and fundraising. We will need as much help as we can get in the next 12 months as we get ready for construction. I would like to thank all those that have helped get us to this stage, it has been a real team effort.

Matt Warren, Chair New Building Sub-Committee

FUNDRAISING REPORT

Fundraising for this season has been primarily focused on raising money for the purchase of a new Surf boat from Australia. This was a large investment and we had to approach a range of Funders to gain the \$40,000 for the new piece of equipment.

We were very pleased to receive the following funding:

- Racing Industry Transition Agency \$12,500
- The Lion Foundation \$15,108
- Infinity Foundation \$2,000

We were also very pleased to accept a donation from Aqua Heat through Greg McCarthy for \$1,500 towards the new surf boat.

We have also been updating some of our lifeguard equipment to maintain our essential services at the club and are grateful to Pelorus Trust to be able to buy a new IRB engine, 8 new tubes, and 6 sets of fins.

- Pelorus Trust \$7,807

Please continue to support our generous funders through their local venues: The Boundary Tap, the Cock, and Finn's.

In addition, we applied for funding to the following organisations and were declined:

- Air Rescue Services for Lifeguarding equipment
- Grass Roots Foundation for IRB Bladders and IRB National's costs.
- One Foundation for funding to support athletes going to Nationals
- NZCT for an application of \$10,000 toward the new boat and this decision was disrupted by Covid 19, so we were declined.

The impact of Covid 19 on pubs and local hospitality industry we anticipate available funding over the next 12 months will be depressed.

Emma Norris
Fundraising officer

**Notes to the Financial Statements
Paekakariki Surf Lifeguards Inc
For the year ended 30 April 2020**

1. Statement of Accounting Policies:

"The financial statements presented here are for the entity Paekakariki Surf Lifeguards Incorporated (PSLG) for the year ended 30 April 2020. PSLG is a New Zealand Incorporated Society formed under the Incorporated Societies Act 1908. The financial statements of PSLG have been prepared in accordance with the Financial Reporting Act 1993. PSLG is also a registered charity under the Charities Act 2005. The financial statements have been prepared on a historical cost basis."

2. Changes in Accounting Policies:

There have been no changes in Accounting Policies. All policies have been applied on bases consistent with those used in previous years.

3. Fixed Assets and Depreciation:

All fixed assets are recorded at cost less accumulated depreciation.

Depreciation of the assets has been calculated at the maximum rates permitted by the Income Tax Act 2007.

The entity has the following asset classes:

- Building Contents. 10% Straight Line
- Buildings. 2.5% Straight Line
- Lifeguard Equipment. 20% Straight Line
- Motor Vehicles. 20% Straight Line
- Other Assets. 20% straight line
- Sports Equipment. 20% Straight Line

4. Goods and Services Tax:

These financial statements have been prepared on a GST exclusive basis with the exception of Accounts Receivable and Accounts Payable.

5. Inventories:

Inventories are recorded at the lower of cost and net realisable value.

6. Audit:

These financial statements have been audited refer to auditors report (note 8)

7. Fixed Assets:

The entity has the following fixed assets recorded:

Building Contents	\$0.00
At cost	\$18,240.73
Less Accumulated Depreciation	-\$18,240.73
Buildings	\$16,116.06
At cost	\$87,678.34
Less Accumulated Depreciation	-\$71,562.28
Lifeguard Equipment	\$14,856.10
At cost	\$79,813.97
Less Accumulated Depreciation	-\$64,957.87
Motor Vehicles	\$14,365.84
At cost	\$31,013.56
Less Accumulated Depreciation	-\$16,647.72
New Building	\$32,261.26
Other Assets	\$1,139.25
At cost	\$1,395.00
Less Accumulated Depreciation	-\$255.75
Sports Equipment	\$56,526.68
At cost	\$318,857.42
Less Accumulated Depreciation	-\$262,330.74
Total Fixed Assets	\$135,265.19

8. Auditors Report

To the members of Paekakariki Surf Lifeguards Inc. I have audited the financial statements contained in the Xero based accounting system report for the year ended 30 April 2020.

Basis for Qualified Opinion:

I have conducted my audit in accordance with New Zealand Auditing Standards. In common with similar organisations controls over cash prior to being recorded are limited and there are no practical audit procedures to determine the effect of these limited controls. I was unable to verify the controls over the collection of and receipting of cash from bar sales and sports travel.

Qualified Opinion:

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion above, the financial statements contained in this report fairly reflects the financial position of the Paekakariki Surf Lifeguards Inc. as at 30 April 2020, and its operations for the year ended on that date.

Tina Walker, Chartered Accountant
