# Annual Report

2021-2022

# Officers 2021/22

**Patron:** Jenny Rowan

**President:** Nat Perkins

**Vice Presidents:** Marie Boddington, Sally Fergus,  
Carol Quirk, Denys Carpenter, Don Shaw, Peter Ellis.

## Management Committee

**Chair:** Matt Warren

**Secretary:** Karen Simpson-Warren

**Treasurer:** John Hook

**Director Sport:** David Jones

**Director Lifeguarding:** Amy Spiekerman

## Committee Members

**Auditor:**

**Solicitor:**

**Members of the Committee:** Sandra Bednarek, James Imrie, Lynette Imrie, Emma Norris, Jago Dellow, Ben Strombom, Monique Lepionka, Sarah Sherriff, Shane Radovanovich.

## President's report

Tena Koutou Katoa,

The annual report summarises the season gone and gives us an understanding of how we stand financially, who are the people involved in the various organisational aspects and running of the club and who has been recognised for their achievements.

First up, I would like to acknowledge the club's life members - you are very special members of the club for all that you have done and continue to do. In the past season, one of our long standing club officers, Vice President Darcy Jarvis passed. Darcy, although not a frequent visitor at the club for some time, grew up in Paekakariki and for many years was the local butcher and then the greengrocer so was very well known in the wider community. Another long-standing member of the club was Life Member Gordon Wilson who also passed away in 2021. Gordon was the Secretary of the club for many years and kept many of our club records alive keeping in touch with the club regularly.

Even throughout a difficult Covid season and with a clubhouse no longer fit for purpose, it's great to see the continued growth of community spirit, service, and commitment developed through enjoyment at the beach in patrolling, training and competition. Some really special people came together to make sure operations could continue for the season. It is this spirit and commitment that will see us get through the new build process. Many thanks to you all for turning up and supporting each other and contribute on and off the beach. To those of you new to committee roles or the fundraising group — kia kaha, I'm sure you have had a difficult but rewarding season.

To the stalwart committee members, on behalf of all members, I congratulate you on your continued that is so important for the successful running of the club during the season and over winter.

Many thanks to all the instructors and coaches in the club - IRB's, lifeguards, boats, craft, beach and the pool — it all adds up. To those of you who coach and develop our athletes, thank you for your dedication and the time and effort in the mahi you give to our athletes with expertise, knowledge and inspiration.

Under Covid, Junior Surf was altered somewhat this season, but was well attended and supported by whanau. With a Covid overview, logistics and planning played an important role at the beach, and it was great to see our club members and supporters take the restrictions in their stride and just get on with it to allow our nippers to thrive. Another group of 14 year olds, plus some older members, were put through their lifeguard exam to become fully qualified lifeguards, by a very talented team of instructors.

Thank you to all the members who refreshed for patrol and those of you who continue to expand your skills and knowledge in first aid, IRB's, senior and national lifeguard training and officiating. Your volunteering efforts make our beach and the events you sign up for safer. Competition officials and event support crew continue to enjoy the role they have in facilitating sporting opportunities for the athletes locally, regionally and nationally.

Congratulations to our athletes who performed with distinction over the season in the sport events that went ahead. It was unfortunate that athletes did not get to compete at the cancelled Nationals, but you all took the opportunity to shine at other events that went ahead.

The club continues to gain recognition locally as is evident in the Capital Coast Awards of Excellence. Congratulations to the nominees and award recipients across lifeguarding, sport, officiating and service awards. Below is a short list and you will read more about them throughout this report from the respective areas.

#### **Capital Coast Awards of Excellence List:**

Lifeguard of the Year – Jago Dellow  
Team of the Year - Open Male IRB Crew, Dwight Garton, Tyler Mills  
Whitehorse Top U19 Male - Alex Cecioni  
U19 Sportsperson of the Year – Alex Cecioni  
Tangimoana Cup overall Club - Paekakariki

#### **2022 SLSNZ Awards of Excellence**

Every year, awards are given to SLSNZ members to officially recognise them for their hard work and dedication to Surf Life Saving in New Zealand. Due to Covid-19 restrictions, the 2021 SLSNZ Awards of Excellence were unable to be held. However, recent national get together was held at Te Papa, for the awards recognition. Our Members that were honoured with a NZ Service Award were Elyse Robert and Tyler Mills.

#### **National and International Selection**

Congratulations to Alex Cecioni who was selected for the National SLS High Performance team. Recognition should be given to Kurtis Imrie who represented NZ at the Olympics in Canoe Sprint, finishing 5th in the K2 500m (amazing stuff). Congratulations too to Matt Warren who was Starter at the Olympics, and Karen Simpson-Warren who was Chief Judge at the Paralympics for Canoe Sprint.

#### **New Building**

Finally, efforts are underway having secured the lease of land for the new clubrooms. Funding and sponsorship are ramping up, so if you have skills in this area then please put your hand up to be involved in what will be a difficult but rewarding time in the history of the club.

Ngā manaakitanga

Natasha Perkins  
**President**

Paekakariki Surf Lifeguards

# Chair's report

The 2021-22 season was another hard season after the unusual 18 months prior. Just when things seemed to be becoming normal we were hit with the Delta and Omicron variants that changed a course of the season before it had even started. We had to navigate all the new rules, mandates, make up procedures and run the season all while learning how to deal with it all not only in Surf Lifesaving but in every aspect of our lives.

Just to add another challenge to the season the club house was condemned meaning we lost the use of toilets, change rooms and all of the upstairs. I must pass on a massive thanks Brian Perry and Rach and PJ from Black Dog Consultants for the use of the containers that gave us shelter for the year. Despite all of this the club managed to run a successful junior surf programme, qualify 14 new lifeguards, run a senior sport and boat programme and keep our beach safe at the same time.

I would like to say a huge thank you to every member of the club for making this season happen.

It was a tough year for our competitors this year with the cancellation of Oceans and Nationals and many changes to other events. It was a credit to all of our athletes and coaches who stayed motivated, kept training and took part in whatever was still running. In all of this we still have some good results with many of our athletes winning local, regional and national events that ran. Well done to all of the athletes that managed to navigate the season.

I would like to thank all of the people that helped run our sports programme which is our best recruitment and retention programme. Although many events were cancelled, some at very short notice, the coaches and managers still took the athletes away and help training camps and activities to keep the enthusiasm up.

There are too many people to thank for helping out with the sports programmes but I will mention a few that put in a mighty effort this year. Steve and Rado kept our boat programme thriving and this has become a major retention for our senior lifeguards. Dave and Emma kept the Senior programme running and travelled to different parts of the country with their small group. A huge thanks also goes to Monique and Sarah who coordinated the nipper programme which has seen big number this year despite all of the challenges.

Lifesaving was a massive challenge this year and Jago and Amy with their team of instructors and Patrol Captains did an outstanding job keeping our beach safe again this year. Our instructors again proved they are some of the best in the country not only qualifying good numbers of lifeguards and IRB crew/drivers, but they are being taught to a very high standard. Talking to some of the examiners they were impressed with the quality coming out of Paekakariki. Keep up the good work.

Lifeguarding is the reason the club exists and it was good to have strong patrol teams across all aspects of lifeguarding. Our patrols were solid this year with smaller teams that did a great job on our beach. We also had a number of guards that took part in regional and National activities. We have guards that played key roles in call out squads, event guarding and instruction and mentoring on a huge range of courses. It really shows the skills and expertise we have within the club.

I would really like to say a huge thanks to all of our Surf Lifeguards that kept the patrols running with our temporary facilities. It was hard work but you all did a great job. Thank you.

Lastly I would like to thank the committee who were fantastic at staying positive with everything that was thrown at us. It was a real pleasure working with a bunch of “can do” people that didn’t sit back and just got the job done for another year. Thank you all for the hundreds of volunteer hours you have given the club.

There are two people moving off the committee this year that have given a massive contribution to the club. Amy Spiekerman has been the lifesaving director for the past 7 years and brought a high level of expertise and experience to the role, thank you Amy for your service.

John Hook steps down from the committee this year after 39 continuous years on the club committee, 33 of those years as Treasurer. John has guided us through many tough times and good times with his expertise not only financially but also his immense knowledge of every part of surf lifesaving and more specifically our club. I have personally benefited from John’s knowledge and history. Thanks Hooky for all you have done for the club over so many years.

I look forward to another good season next summer, see you all on the beach.

Matt Warren  
Chair

# Lifeguarding

Lifeguarding looked a little different this season. The loss of our club house was a huge blow and with our ATV also out of action for majority of the season it meant the season came with a number of challenges. I am extremely proud of how everyone rose to the challenge and made the most of a less than ideal situation. I want to give a massive thank you to **Black Dog Consulting** and **Brian Perry Civil** for the use of their containers, you were integral in keeping our lifeguard services running and kept our lifeguards dry on those not so pleasant days.

This season we had 14 new lifeguards join our team. A big welcome to our newest lifeguards Jamie, Zoe, Monique, Ana, Rebecca, Poppy-Mae, Anna, Milla-Rose, Ben and Dillion.

Our instructors did an outstanding job of ensuring trainings ran smoothly and candidates were prepared for their new role of surf lifeguard. A number of our instructors were also involved in mentoring and instructing at Intermediate Guard School and the National Lifeguard School showcasing the level of skill shown by our instructors. We are really lucky to have such a dedicated group of instructors within the club and this shows in the calibre of our newest lifeguards.

This year we had 56 refreshed and actively patrolling lifeguards which is a little down on previous seasons but not unexpected given our current circumstances. Together they completed a total of 1444.5 hours of patrolling as well as performing 3 rescues on our home beach and a number of rescues, searches, assists and first aids both on our beach and beaches around the country. I'd like to thank everyone who wore the red and yellow uniform this season as well as the huge number of volunteers behind the scenes that keep our lifeguard services running smoothly.

On top of our regular volunteer and regional guard duties our lifeguards helped patrol a number of local and national events including the Wellington Ocean swim and the Kapiti Woman's Triathlon who we look forward to working with them again next season. A special shout out should also go to our event guard team. This team spent countless hours on the water ensuring the safety of our competing athletes. Their dedication not only ensures the smooth running of competitions, but they bring their skills and experience back to Paekākāriki.

A number of lifeguards worked to upskill throughout the season, gaining awards and experience in a range of areas and we are grateful for their dedication to improving their lifeguard skills. Special mentions to Ben Norris who attend Intermediate Lifeguard School and Brianna was chosen to mentor at this years Advanced Guard School. Together our IRB instructors Ben and Riley qualified three new crewmen and four IRB drivers with a number of guards just waiting for the right conditions to finish off their assessments. It was awesome to see the supportive and welcoming environment that the boys have created at their trainings and I'm excited to see this continue to grow next season.

As the season draws to an end so too does my time as Director of Lifeguarding. It's been an epic adventure the past 5 years and I feel privileged to have had the opportunity to lead such an awesome team of lifeguards. There are some challenging and very exciting times ahead with the new clubhouse on the horizon and I'm excited for our team to gain a new Director of lifeguarding with a fresh perspective to lead us into this new chapter.

Director of Lifesaving (one final time)  
Amy Spiekerman

Paekakariki Surf Lifeguards

## Surf Lifeguard Award Recipients

Members who have achieved their Surf Award this season, congratulations to:

Hatti Jones, Ruby Warmington, India Harvey , Hayley Goertzen, Jamie Tidy, Zoe, Monique Lepionka, Ana Sexton, Rebecca Foley, Poppy-Warmington , Anna Betham, Milla-Rose Klausen, Ben Reiher and Dillon Raimona-Pahetogia

**Team eight-** PC-Sophia Bridgewater, Rachael Reid, Amy Spiekerman, Jordan Crosbie, Emma Neal, Hayley Goertzen, Kelly Fleming, Tilly Hungerford

# Surf Sport

## Seniors

This year during Winter training in the harbour we were joined by the Titahi Bay athletes which I believe was beneficial for all. Once daylight saving hit, Titahi bay, in the knowledge that we were clubless, offered to host us at their club and we took up the offer and enjoyed training at the Bay for a few weeks.

Once again I must thank James Imrie without who we would struggle to complete Winter training. James gives his own time to tow the trailer to the harbour for us, help unpack and pack the gear and then return the gear to where he stores it for us. Thanks again James.

Once back at Paekakariki our small but keen squad enjoyed cool, but relatively calm conditions which allowed some quality sessions where we could work on the more technical issues as opposed to the usual Spring training of slogging it out in line after line of wind swell.

Of course, this year due to the club building situation we did not have access to showers, toilets or changing facilities and I would have to commend the athletes on just getting on with it with no whinging. We are looking forward to the use of the new change rooms/amenities portacom that the club has since obtained.

In an early warning of what was to come Covid started to affect SurfSport early in the season with the cancellation of the Whangamata classic which is usually our first big hit out for the year. Max & Mickey Jones both took the opportunity to compete in the "Mount Monster" which is an exciting event to have a go at. If you feel that you need a goal to motivate your early season training then the Mount Monster would be a great event to enter early and commit to, whether as a team or individual.

Central Regionals was the only big SLSNZ run event that did go ahead this season and it was a magnificent event with beautiful weather and great Surf at Waimarama. It was good to see most of the Gisborne clubs and some of the Bay of Plenty clubs attend which made for good solid competition.

For a number of years now I have wanted to run a Surf camp in one of the warmer parts of the country and this year the stars aligned for me to be able to commit to a week at Ohope in late January. Whakatane surf club hosted us at Ohope Beach and I must thank them for having us. We stayed in their club for a few days and joined in with their trainings which was a fantastic opportunity as they have some excellent athletes. We were blessed with warm weather, 22 degree water and Ohope put on a good swell for us for the whole week that we were there. The athletes that attended had a great time, trained twice a day for 7 days straight and the increase in skills and fitness at the end of it was clear to see. Thanks to Deb Jones and Emma Norris who both attended and helped with all the stuff needed between the trainings. The intention was to end the camp with the ERC's competition but once again Covid intervened and unfortunately ERC's was cancelled a few days prior to its intended kick off. Thanks to the Bay of Plenty clubs we did get to attend an event they put on in its place which was run safely and within Covid guidelines and showed just what can happen when athletes want to race.

I must give credit to Troy Greenem from Central Region Surf lifesaving who amongst Covid Traffic light systems and various weather events stayed nimble and flexible enough to get all the local events completed.

Of course for the second year in a row Nationals was cancelled due to Covid, but it is what it is and here's hoping we get that opportunity next year.

Thanks to all those that assisted throughout the season, in particular Teri Anderson, who once again "managed" the team, in particular doing our entries, organizing accommodation and communication.

Director of Sport  
Dave Jones

## Surf Boats

With another covid season been and gone, it would be easy to just write the season off as another lost year, but there have been a few gems to take out of it, so read on for what our boaties got up to this season.

As a general rule of thumb, we kick our training off around June/July. However, after a post (canceled) nationals meeting the decision was made to take a crew to the George Bass surfboat marathon in Australia. A bold call at the time, but with Covid appearing to be settling down, we thought (wrongly) that it would be worth a crack.

With that, 10 girls were back in the boat in April, with an eye to the big race in Jan 2022. Around 3 months (and a lot of ergs/gym sessions and cold dark rows) later, at the end of July. We had the decision taken out of our hands, as the race organisers canceled the event as covid raged through Australia and made it impossible for them to plan the event. Gutting for the girls, but the upside being the girls were in great physical condition as we then reset and began working towards the season.

Around July, we then brought rowers who had not done the winter training back into the schedule, and began setting crews up for the year ahead. After a few false starts, we finally settled into 6 full time crews, and a couple of casual crews. 2 x open woman (Mum's and Tumbleweeds), 2 x U 19 woman (Dark Side and Cruise Control), 1 x U 23 woman (Pink Ladies), 1 x U 23 men (Showtime).

Another blow to the section, was a change of training base due to our boats beginning to get vandalised and gear being stolen out of them where we normally store them at Mana. So, we made the call to move to the more exposed, but secure area by the Mana Sea Scouts. From here, we settled into the usual routines of 5am or 6pm trainings, and after the generous offer from Porirua Rowing club, the option of early morning trainings in their erg room in Titahi Bay.

From here, our crews did a great job of rolling with the covid punches as change after change came with events being moved or canceled. Where possible we made every effort to attend events locally, regionally and nationally.

A reflection of that extra work that our girls had done over winter showed in their standings in the national boat series. The Mum's and Tumbleweeds were sitting 1<sup>st</sup>/2<sup>nd</sup> respectively, U19's Dark Side, 2<sup>nd</sup> as we moved to the final event of the series. Unfortunately, again covid caused a cancellation and with that, disbanding of the national series leaving our girls without some much-deserved results.

On the back of all these disruptions, our section had some great trips away to centrals (Waimarama). The canceled North Island champs in Waihi (training/team build weekend in some big surf). Then finishing with another trip back to Waihi (more big surf) for a reduced North Islands after the cancellation of nationals. A fun and exciting end to a frustrating season. Our crews all performed well in some perfect 2m plus surf under blue sunny skies. This was probably the saving grace for our boaties as we got to finish the year on an enjoyable and positive note.

I'd like to take this opportunity to thank some people who made big contributions to our section this year.

PJ and Rachel Jones (Black Dog Consulting). For their work at trips away, being camp mum and dad, and for their generosity lending vehicles for our away trips.

Dean Winter and PJ for helping out sweeping when our regular sweeps were unavailable.

Emma Neal for liaising with Porirua Rowing to sort access to their erg room for off water trainings.

Hayley Goertzen for towing boats around the country and for sorting maintenance on boats and pumps.

Our sweeps/coaches, Steve Richie, Rado.

All the parents/husbands/wife's/partners/siblings who helped at events, sorting tents, moving boats and trailers, baby sitting/ cooking and generally being great supporters and cheer leaders. Financial support from **Black Dog Consulting**, **Carpentry Plus**, and **SDR Flooring**.

Finally, all our boaties ... You train out of a car park year-round due to it being almost impossible to train off our home beach. You train hard, overcome adversity with our training base. You challenge yourselves at training (early mornings and late nights) and out in the surf. Best of all though. You're all a bunch of good buggers, who are a pleasure to be around and to train/travel and compete with.

Thanks everyone for your efforts.

Enough good stuff for me to do one more year I reckon.

See you all next season.

Rado  
Boat Captain

## Surf Boat Crews

### Open Woman

"Mums" Amy, Rachael, Jordan, Sophia, Rado.

"Tumble weeds" Hayley, Keely, Kelly, Gemma, Izzy, Steve.

### U 23 Men

"Show time" Jesse, Heath, Otis, Mathew, Richie.

### U 23 woman

"Pink ladies" Ally, Sarah, Piper, Dani, Geena, Rado.

### U 19 Woman

"Dark side" Brenna, Alyx, Ava, Emma, Steve.

"Cruise control" Tilly, Geena, Hatti, Nikita, Rado

Reserve sweeps. PJ, Dean, Clayton

# IRBs

The season kicked off with a number of development days followed by a development weekend held at Riversdale Beach. A huge amount of experience was gained during this weekend with some challenging conditions. A number of Paekakariki candidate were signed off as IRB drivers and we look forward to the coming season and getting a few more signed off.

Congratulations to all those who gained IRB qualifications:

- IRB Drivers- Ally Jones, Mickey Jones, Florrie Dixon and Robbie Strombom
- IRB Crewmen- Alex Cecioni, Alyx Honeyman and Hanne De Ridder

The competition calendar begun with a local long-distance endurance race at Foxton beach in September. These long haul events are a great way to improve IRB skills and experience and ensure we are rescue ready when needed. We had three crews compete taking out top overall club. Dwight, Tyler and Sam Perry claimed 1st place while Riley, Ben and Toby came in for 2nd place. Our women's crew of Brianna, Sophia and Amy came in 9th place and took out 1st female crew and Ally, Nikita and Abby finished 10<sup>th</sup> and 2<sup>nd</sup> female crew. A great effort all round and we look forward to defending our title of top over all club in the next couple of months.

IRB North Island camps was held in Waihi Beach, Paekakariki had two crew competing. The senior men's crew of Dwight and myself won three golds (mass, single and assembly rescue) and 4<sup>th</sup> in the tube rescue. Our under 23 crew of Rhys Ward and Ben Strombom made their debut in their age grade.

After a lot of uncertainty Nationals was held in Mahia in April. Rhys Ward and Ben Strombom made the tube rescue final while Dwight and Tyler walked away with a gold in assembly rescue and a bronze in the single rescue.

Unfortunately, this season training was cut short due to unfavourable beach access and numerous ATV breakdowns however next season is shaping up to be a good one with IRB training starting in a couple of weeks, Riley and Ben will continue to run these. We look forward to growing our IRB team and hope to continue to see new faces in the Paekakariki tent at IRB competitions this season.

Tyler Mills  
IRB Officer

# Junior Surf

Bad weather, no facilities, changing covid rules... so what?! Paekākāriki nippers have shown awesome resilience this year with over one hundred registering for our Sunday afternoon programme.

We have big numbers in the U8-U10 age groups which is promising for the future of our Lifeguard programme.

## Carnivals

To manage numbers within covid restrictions, SLSNZ Capital Coast amended carnivals to separately run tight programmes for each age group. This proved to be genius as most carnivals were in awful weather and the change meant most our little ones only had 2 hours in the cold.

Carnivals were held at Worsler Bay, Titahi Bay and Lyall Bay, with unfortunate cancellations of Central Regions in Waimarama due to managing numbers, and Riversdale as a massive swell rolled in.

## Oceans

We had a hard-working crew of athletes training for Oceans up to five times a week from October. Unfortunately, Oceans was cancelled, which was particularly disappointing for our ‘Super Seven’ – our U14 girls who’ve been together for years and were looking forward to their final Oceans. With some quick work from fellow coast clubs Titahi Bay, Foxton & Levin we had an extra carnival for Oceans athletes up at Foxton Beach. There was fierce competition and great results, even a watermelon relay.

## Capital Coast Champs Top 3 Placings

U14	Yasmin Rodda	1 <sup>st</sup> Flag
U14	Chloe Sherriff	2 <sup>nd</sup> Flag
U14	Katya Cameron-Bennett	3 <sup>rd</sup> Board Race
U13	Felix Thomas	1 <sup>st</sup> Surf Race, 3 <sup>rd</sup> Diamond

## Club Champs / Special Prizes

	Boys	Girls
<b>U8</b>	Theo Parker	Gretal Eager
<b>U9</b>	Hugo Pearce & Lachlan Tato	Lucia Harfitt
<b>U10</b>	Seften George	Jayme Parker
<b>U11</b>	-	Lilah Eager
<b>U12</b>	Asher Thomas	Molly Sherriff
<b>U13</b>	Felix Thomas	Elsa Kelly
<b>U14</b>	-	Chloe Sherriff
<b>Surf Race</b>	Felix Thomas	Elsa Kelly

The Junior Surf shield was shared by Chloe Sherriff and Hazel Edge, two outstanding nippers who have completed seven years of junior surf at Paekākāriki.

### Thank you

We were extremely happy to have a new junior surf trailer (thanks to One Foundation and Cheyne Sisson Chiropractors) which made Paremata Inlet training and carnivals so much easier thanks to James' efficient packing design.

And when it comes to delivering training, it takes a village. Many thanks to:

- Coaches and helpers at the beach – Sandra, Linnie, Steve, Henry, Elouise, Ariki, Rich, Katie, Leigh, Hannah, Eva and everyone else who says “what can I do to help”
- Pool coaches – Lisa, Marco, Neville & Dave
- Officials – Nat, Teri & Shelley

Finally, a big thanks to our Nippers. We love to see the support and leadership our older Nippers show the younger ones. You set a great example and it's a pleasure to coach.

Sarah Sherriff & Monique Lepionka  
Junior-Surf Co-ordinators

## Club Prizegiving and Awards

- U17 Female Club Champion, Forbes Cup: Savannah Ward
- U17 Male Club Champion, Brophy Trophy: Ben Norris
- Open Female Club Champion, Wills Cup: McKenzie Jones
- Open Ski Cup: Dave Jones
- Open Female Ski, Jane Perkins Shield for: McKenzie Jones
- Open Male Swim, Pat Cheeseman Trophy: Alex Cecioni
- Coaches Choice Award: McKenzie Jones
- Sportsman of the Year, Kennelly Cup: Alex Cecioni
- Sportswoman of the Year, Hodder Family Cup: Mickey Jones
- Boatie of the Year, Rado/Dickson Cup: Rachel Reid
- Sports Teams of the Year, Bednarek/Trott Cup: IRB Open Team of Dwight Garton and Tyler Mills
- Coach of the Year: Dave Jones
- Official of the Year: Shelley Cheyne
- Rookie of the Year : India Harvey
- U19 Lifeguard of the Year : Robbie Strombom
- Instructor of the Year: Sarah Warren

- Simpson Shield for Patrol team of the year:  
Patrol team 5, Rewa Henderson PC, Mike Ward VC, Rhys Ward, Savanna Ward, Monique Lepionka, Georgia Martin, Freya Hodge, Kahu Moffat
- JP IRB Shield – Ben Strombom
- Lifeguard of the Year: Jago Dellow
- Volunteer of the Year: Sarah Sherriff

## Season Results

NZ Surf Lifesaving Championships and Oceans 2022	Cancelled due to pandemic

# Fundraising report

We have been grateful to continue to receive generous funding for our equipment purchases which enable the club to patrol successfully and to compete on a National level through all Surf activities. Without these great grants we would not be able to fund our new surf lifesaving activities and sports equipment.

We have a 5-year wish list that covers the breadth of the activities of the club and we apply for grants addressing this list. This means we can replace all the various equipment in the club from IRB life jackets to first aid supplies, from Nipper boards to a new Surf boat.

Our major purchase this year was a new trailer, and we are very grateful to One Foundation for the funding to purchase the trailer and to Cheyne & Sisson Chiropractic for the sign writing of the trailer.

This is what we applied for and received between 01 April 2020 – 31 March 2021.

4 Winds – Co-op Bar, Whitby	\$6,990.00	2 x Surf Ski
One Foundation Punters Corner Sports bar, Otaki	\$7,600.00	Lifesaving Equipment
One Foundation Punters Corner Sports bar, Otaki	\$20,000.00	New Trailer
Pub Charity, Pine Tree Arms, Prm	\$7,600.00	Surf Boat Oars
Cheyne Sisson Chiropractor, Porirua	\$2742.00	Trailer signwriting
<b>TOTAL FOR YEAR</b>	<b>\$44,932.00</b>	

Please do show your support to these businesses who support us!

# Building report

This year we have made excellent progress toward getting the build started. We now have a lease for the land the building will sit on and engineering and developed plans are almost complete. Resource consents are ready to submit and we have a preferred contractor ready to start the build.

With the old building being closed we are moving toward demolishing this building which will take away the hazard we have with this structure. It does leave us homeless for the time being but we have good plans in place for temporary accommodation for the coming season.

All going well within the next 12 months we will be starting the build. This will be a very exciting time seeing all of the hard work coming together. The aim will be to be operating out of the new building sometime in 2023.

The major challenge now is raising the money to get the building built. We have been doing a lot of work in this area and in the next few months hope to see good progress with the funding for the building. KCDC Councillors, Mayor and Deputy Mayor have been extremely supportive and are working on how to provide further financial support to get the building underway. Thanks to Jenny Rowan, Sophie Handford and Janet Holborrow who have been championing our cause. We are working with other funding agencies and it is now time for our members to swing into action with some major fundraising! Our fundraising team is about to kick things up a gear.

Massive thanks to Nick from **Cuttriss Consultants** and Hamish from **HWA** for the immense amount of work they have done to date, much of it free of charge. They have made a huge difference to this project. Thanks too to Rosemary from **The Law Connection** for her legal expertise around our Lease Agreement.

We would like to thank all those that have helped get us to this stage, the project group has grown and it is great to have so many people passionate about making the new building possible. Just this week we heard that The Lions Club of Kapiti has generously supported our building project by donating the proceeds of their Book Fair to the amount of \$4,500.

How wonderful to see the local community getting behind the project!

Karen Simpson-Warren & Matt Warren

## Notes to the Financial Statements

Paekakariki Surf Lifeguards Inc  
For the year ended 30 April 2022

### 1. Statement of Accounting Policies:

The financial statements presented here are for the entity Paekakariki Surf Lifeguards Incorporated (PSLG) for the year ended 30 April 2022. PSLG is a New Zealand Incorporated Society formed under the Incorporated Societies Act 1908. The financial statements of PSLG have been prepared in accordance with the Financial Reporting Act 1993. PSLG is also a registered charity under the Charities Act 2005. The financial statements have been prepared on a historical cost basis.

### 2. Changes in Accounting Policies:

There have been no changes in Accounting Policies. All policies have been applied on bases consistent with those used in previous years.

### 3. Fixed Assets and Depreciation:

All fixed assets are recorded at cost less accumulated depreciation.

Depreciation of the assets has been calculated at the maximum rates permitted by the Income Tax Act 2007.

The entity has the following asset classes:

Building Contents. 10% Straight Line  
Buildings. 2.5% - 20% Straight Line  
Lifeguard Equipment. 0% - 20% Straight Line  
Motor Vehicles. 0% - 20% Straight Line  
Other Assets. 0% Straight Line  
Sports Equipment. 0% - 20% Straight Line

**4. Goods and Services Tax:**

These financial statements have been prepared on a GST exclusive basis with the exception of Accounts Receivable and Accounts Payable.

**5. Inventories:**

Inventories are recorded at the lower of cost and net realisable value.

**6. Audit:**

These financial statements have not been audited.

**7. Fixed Assets:**

The entity has the following fixed assets recorded:

<b>Building Contents</b>	<b>\$0.00</b>
At cost	\$9,690.79
Less Accumulated Depreciation	-\$9,690.79
<b>Buildings</b>	<b>\$11,672.14</b>
At cost	\$87,678.34
Less Accumulated Depreciation	-\$76,006.20
<b>Lifeguard Equipment</b>	<b>\$3,138.00</b>
At cost	\$79,813.97
Less Accumulated Depreciation	-\$76,675.97
<b>Motor Vehicles</b>	<b>\$33,771.01</b>
At cost	\$64,228.72
Less Accumulated Depreciation	-\$30,457.71
<b>New Building</b>	<b>\$62,254.32</b>
<b>Other Assets</b>	<b>\$581.25</b>
At cost	\$1,395.00
Less Accumulated Depreciation	-\$813.75
<b>Sports Equipment</b>	<b>\$26,983.56</b>
At cost	\$228,114.77
Less Accumulated Depreciation	-\$201,131.21
<b>Total Fixed Assets</b>	<b>\$138,400.28</b>
