### President's report

Tena Koutou Katoa,

The purpose of this annual report is to provide an overview of the season, including our financial status, the individuals involved in the various organizational aspects and club operations, as well as recognition for outstanding achievements. I extend a warm welcome to our esteemed life members and any newcomers attending their first Annual General Meeting (AGM).

Despite the continued absence of a clubhouse, we were all delighted to witness the ground-breaking and site blessing ceremony on Saturday, March 9, 2024. A karakia and blessing by Ngāti Toa Rangatira and ahi kā Ngāti Haumia Ki Paekākāriki marked the start of the build of our new surf club building. There was a good turnout of members—past and present, iwi, local community, and various regional and local council representatives.

To ensure the club's continued growth in community spirit, service, and commitment—fostered through our love of the beach and ocean—we need to embrace our wider community and build connections through manaakitanga and whanaungatanga. By creating shared experiences and working together, we can provide the community with a sense of belonging. This will help the new building become a central hub for the community, enhancing our role in lifesaving and beyond.

On behalf of the membership, I sincerely thank everyone for their presence, support, and contributions, both on and off the beach, and the dedicated individuals who collaborate to ensure smooth operations throughout the season. Special acknowledgment goes out to our steadfast committee members, who have exhibited continued dedication to managing the club throughout the year.

I extend the Club's sincere thanks to all the instructors and coaches involved in various areas of the club, including IRBs, lifeguards, boats, craft, beach, and pool activities. Again, this season your contribution plays a significant role in our collective success as a club through the expertise, knowledge, and inspiration you offer in supporting our athletes and lifeguards' continual growth.

The Junior Surf program has enjoyed a remarkably successful season. Despite the continued absence of a clubhouse, careful logistics and planning has guaranteed the seamless execution of beach activities. Our

community, including coaches, club members, and supporters, deserves immense gratitude for wholeheartedly embracing this challenge, enabling our young nippers to thrive. A special commendation is due to the group of 14-year-olds who, under the tutelage of a skilled team of instructors, completed their training and successfully passed the lifeguard exam.

I extend the club's gratitude to all the members who volunteered for patrol duties, as well as those who continuously expand their skills and knowledge in first aid, IRBs, senior and national lifeguard training, and officiating. Your selfless efforts contribute to the safety of our beach and events.

On behalf of the Club, I would like to acknowledge the dedication of competition officials and event support crew who play a vital role in running sporting opportunities for athletes at local, regional, and national levels, and all the work that happens on and off the beach or pool to run an event.

Congratulations to our athletes who showcased exceptional performances throughout the season at local, regional, and national events. Again, this year a strong contingent of athletes, event crew, officials, and supporters represented our club at the various National events.

**Capital Coast Awards of Excellence and 2024 SLSNZ Awards of Excellence:** The 2024 Capital Coast Awards of Excellence were celebrated on May 25, and the club had the following finalists up for various awards:

- Surf Lifeguard of the Year Monique Lepionka
- U19 Surf Lifeguard of the Year Georgia Martin
- Coach of the Year Ethan Atkinson
- Surf Sports Official of the Year Teri Anderson
- Instructor of the Year Caylee Cooke
- Volunteer of the Year Emma Norris

We extend our congratulations to all the finalists and award recipients across the various categories.

The SLSNZ Awards of Excellence, which officially recognize the hard work and dedication of Surf Life Saving New Zealand members, are yet to be held. Our members recognized at the Capital Coast Awards of Excellence, along with those who have achieved NZ Service Award status, will be nominated for these prestigious awards.

**New Building Project:** Ongoing dedication is required for the new building project, and I would like to acknowledge the continued effort and numerous hours of Matt Warren, the Club Chairman and Chair of the Building Committee, along with Karen Simpson-Warren, Chair of the Fundraising Committee, for overseeing the progress in their respective roles. I also acknowledge the wider teams working diligently to raise funds and extend thanks for their mahi thus far in the build project. As the project progresses, we will look for further support for the fit-out and ongoing governance of the new clubrooms along with engagement and input from the wider community. If you possess any skills in this area, I encourage you to step forward and be part of this project.

Have a great off season watching the new building grow!

Ngā manaakitanga

Natasha Perkins President

### Chair's report

What a year the 23-24 year has been! It has been an exciting year for the club with so much going on across every spectrum of the club. For me it has been wonderful to see the positive spirit across the club and the way our membership has conducted itself without the resources of most clubs.

Once again, the club operated from containers and the membership stepped up to make the season happen. All of the day-to-day challenges were met while the club has been taking on the biggest project we have ever embarked upon. This past year our members delivered a safe beach, great sports programmes and a well-functioning club.

I must thank all of the coaches, managers, parents and helpers that made the junior surf programme a stunning success. Even though we don't have the facilities the programme ran well, the numbers increased and we had an increase in young athletes attending the local and national carnivals. Massive thanks to Henry and his team of helpers for the leadership of the nipper programme.

Our senior surf boat and craft programmes have also grown this year under the leadership of Dave, Rado and Steve. The club had great results across all competitions and the finale was the large team travelling to the Mount for Nationals, not only picking up a handful of medals but also many athletes making it to finals and semifinals. This is great testament to our coaching programmes and the support from the parents, as well as the positive attitude of our athletes.

I must also thank our volunteer officials and water safety crews in which Paekākāriki is well represented and highly regarded. Our club officials and water safety guards collectively did 758 hours officiating on the beaches around the country this season.

Our lifeguarding programme was very successful and our patrols kept the public safe at both Paekākāriki beach and beyond, with our guards doing 1785 hours of patrol. We also saw many of our guards upskilling which has given us some of the most skilled patrols in the region. We had 12 new lifeguards qualify and 8 IRB awards (crew and driver) gained. We also had 81 surf lifeguards refresh this year.

This is not something that just happens, it takes a lot of work from many people and this year was no different. We had great instructors leading our lifeguard award and

IRB programmes, and very motivated and skilled patrol captains. Thanks to Ben Strombom for taking the reins as lifeguard director and leading this big portfolio for the club.

The new build programme has taken a lot of time for many members of the club and the committee. It has been in the making for over 10 years and it is great to have the construction programme finally underway. Thanks to all involved in getting this across the start line.

I have to say a massive thanks to the committee for all of their work this year. It has been an extreme year for the club and the committee has put in an incredible amount of work to keep the waka moving forward in the right direction. Thank you all, it has been a joy working with you all.

Our members, parents and supporters have been so positive and resilient and I look forward to seeing the progress of the club next year and the strength of our membership grow. Thank you to our 273 members and many more supporters that made the 23-24 season a success, I look forward to another great season next year.

Matt Warren Club Chairperson

### Lifeguarding

Another great season lifeguarding at Paekākāriki. Like last season, we do not have a club building meaning we were patrolling out of containers again. This proves to be very challenging at times but I would like to give a massive thank you to all of our patrolling members for their positive attitude and adaptability to the situation we are faced with.

I want to give a massive thank you to Black Dog Consulting for the use of their container once again. You were integral in keeping our lifeguard services running and kept our lifeguards dry on those not so pleasant days, we thank you for everything you have done and continue to do to support our lifeguards. A big thank you also to our patrol captains for ensuring all patrols ran smoothly. A special mention to Mike Ward for assuring our ATV was up to date on maintenance and always operational. Another special mention to Caylee Cooke, Ally Jones and Monique Lepionka for taking the reins of lifeguard instructing for our new lifeguard candidates, as well as all of the other instructors for giving up your time to instruct.

This season we had 12 new lifeguards join our team. A big welcome to our newest lifeguards Emma Norris, Hamish Allan, Lola Cowley, Elsa Kelly, Jordan Ward, Luke Martin, Joe Reiher, Nala Trist, Lucy Campbell, Felix Thomas, Nikau Gibson, and Henry Curtis - you all did a fantastic job in your lifeguard exam. Our instructors did an outstanding job of ensuring trainings ran smoothly and candidates were prepared for their new role. A number of our instructors were also involved in mentoring and instructing at Intermediate Guard School showcasing the level of skill shown by our instructors. We are really lucky to have such a dedicated group of instructors within the club and this shows in the caliber of our newest lifeguards.

This year we had 80 refreshed and actively patrolling lifeguards. Together they completed a total of 1,785 hours of patrolling as well as 214 preventative actions, 3596 safety interventions, and performing 16 minor first aids on our home beach with many more completed by our lifeguards at beaches around the country.

On top of our regular volunteer and regional guard duties, our lifeguards once again helped patrol a number of local and national events including the XTERRA triathlon and the Kapiti Women's Triathlon, we look forward to working with them again next season. A special shout out should also go to our event guard team. This team spent countless hours on the water ensuring the safety of our competing athletes. Their dedication not only ensures the smooth running of competitions, but they bring their skills and experience back to Paekākāriki.

A number of lifeguards worked to upskill throughout the season, gaining awards and experience in a range of areas and we are grateful for their dedication to improving their lifeguard skills. Special mention to Hatti Jones and Savanna Ward who attended Intermediate Lifeguard School.

Together our IRB instructors Amy, Ben, Dwight and Riley continued to upskill our up-and-coming IRB drivers and crewman and are looking to start training back up at the end of June. It was awesome to see the supportive and welcoming environment that the boys have created at their trainings and I'm excited to see this continue to grow in the coming months.

As the season draws to an end, we look forward to the coming one and the exciting things it will bring in the lifeguard space. With the construction of our new club house underway, hopefully we will not be in containers next season. As mentioned above, thanks again to all of the lifeguards who gave up their time to keep the beach safe.

Director of Lifesaving Ben Strombom

### **Surf Lifeguard Award Recipients**

Members who have achieved their Surf Lifeguard Award this season, congratulations to: Hamish Allan, Lucy Campbell, Lisa Cowley, Henry Curtis, Nikau Gibson, Elsa Kelly, Luke Martin, Emma Norris, Joe Reiher, Nala Trist, Jordan Ward

### **Surf Sport**

### **Seniors**

Last season we saw some growth in the numbers in the Craft group and leading up to winter training I was aware of quite a lot of interest from potential new members - but you don't count your chickens until you see them lined up ready to go in the cold and the dark at the first winter training. Sure enough, there they were and for the second year in a row, despite having no clubhouse, our numbers increased.

Winter trainings regularly saw around 10 people attending which was great and as usual at this time of year, despite the cold, the weather was pretty good to us. In fact, I think across the entire season we only cancelled two trainings.

Winter training was only possible thanks to the Chamberlains storing the trailer at their place and Dunc and Mike Bennett organising getting the trailer to every session. Dunc and Mike also towed the trailer to some of the major events and were the Mr Fixits when it came to taking care of all those little things which allow us to function. Thanks guys.

As usual for the new guys, those who made it to winter training and got the early sessions in on the Ski on the harbour developed well throughout the season where as those that don't turn up until later struggle to master the Ski for the rest of the season.

A number of our new members had a swimming background and as a result we did a couple of Surf Sport Pool training sessions and then had good numbers at both the Wellington and Central region Pool champs where we had great results, including dominating the Open Men's and Women's divisions.

A good attendance at the Surf sport swimming events helped to develop a good culture within the team which continued throughout the whole season. Once daylight saving came and we were back at the beach we got to put the gear back in the containers, but still had no changing sheds and no showers. Despite this we continued to get good numbers at training and a positive attitude from all.

I was a little concerned heading back to the beach as there had been forecasts of an extremely strong El Nino weather system which would normally mean a lot of North West storm surf, however these winds never really eventuated and when they did, we seemed to be lucky enough to train during wind directions changes.

This season I tried to remain a little more flexible as far as changing our training location to suit weather or whatever beach condition we needed. This saw us chucking the gear back on the trailer when serious southerlies hit and taking it to Pukerua bay where the southerly whisked overhead and instead of a soul-destroying chop, we had flat, comfortable and calm conditions. As it turned out Nationals were flat and calm so we got some great speed work in these sessions which, mirrored the conditions we would later have to compete in. Pukerua Bay also has the perfect water's edge to practice the ski carry dry start which most people were predicting we would have at Nationals (but never eventuated).

Thanks to Matt Warren for taking training over the Christmas Hols period. I heard that my return was welcome as the sessions had been a bit hard! Also, thanks to Seth Forbes who covered my inadequacies by taking some beachy event training between October and Nationals.

We did the same local and major comps as usual and the team continued to perform well. It was good to see us line up with two Open Surf race teams at both ERC's and Nationals. The Surf teams performed well with the Open Men's 'A' team getting a bronze at ERC's and a 5th at Nationals.

Mike and Dunc erected a container shelter between two of the containers in early February to give us some cover when required. Three days after they put it up, we had storm force northerlies immediately followed by storm force southerlies, however their work stood up to the test and it remained solid.

After ERC's we upped the usual 3 trainings per week to 5 training sessions per week, with a Saturday morning Surf Swim session at Plimmerton. Plimmerton has great beach conditions for practicing wading and porpoising.

Nationals was a great competition for us and everyone performed well. An 18-athlete team competed. The culture that had built up during the year was obvious when a lot of our best results were from team events. Between Tube and Board rescue we made 5 finals with a couple of near misses and Alex Cecioni and Max Jones combined to take a bronze medal in the Open Board Rescue. This is a medal two years running for Alex and our first open medal for several years.

Thanks to all those that backed me up throughout the season, particularly Teri Anderson for looking after entries. To all our Officials who officiate around the country and allow our team to enter other people's events, I thank you.

Director of Sport Dave Jones

### **Surf Boats**

Another good year has passed for our boat section. Once again, we had good crew numbers with 3 open women's crews, 1 U 23 women, 1 U 23 men, 1 U 19 women and 1 masters men. 7 crews in total.

With a number of crews with changes from the previous season, it did take a while for crews to get into their groove, and thus saw limited numbers of crews traveling to the various events around the country, while in previous years the entire boat section would travel to all events. This year, due to various things (injuries/family/work commitments), it was Nationals before we were able to get all 7 crews to the one event.

Strong early form from the open women ("Tumbleweeds") and the U 23 women ("Cicadas") saw them invited to the NZ trials in Whangamata pre-Christmas. Both crews showed good boat speed at the event, but couldn't quite match some of the finer race skills of the two crews who were eventually selected.

Centrals saw good results again from the 3 open women's crews (Tumbleweeds, "OG Mums", and "The other mums"), continued success for the Cicadas and solid racing from our injury ravaged U 19 women.

North Island champs were again well contested and although all crews that attended made finals, we did struggle to get crews on to the podium with a number of 4th places.

With the whole team making it to Nationals, we started to see the results of the hard work start to pay dividends. Mt Maunganui Nationals provided basically flat conditions for the entire event, but our section performed incredibly well and turned up some great results. Thursday began with Masters, and a bronze for our 180's masters men, a gold for our 140's women (OG mums) and gold for the 160's women (Other Mums). All three masters' crews would then move onto compete in the open grade for nationals with both women's crews doing extremely well. Our U 23 men ("Birdbaths") finished with two silver medals in both short and long course. U 23 women (Cicadas) bronze in long course and U 19 women (Lulu's) bronze in the short course. In the open women, the OG Mums made both short and long course finals, and the Other Mums made the long course final.

The Cicadas finished with silver in the NZ surfboat national series (Aggregate points across 4 national events) and the Birdbaths finished with bronze in the national series.

We continue to show good strength in both crew numbers, and representation on the national boat stage. Early indications are looking like a minimum 7 crews again next season, possibly pushing to 8 or 9. Our Bay of Plenty branch, currently masters' men and the Other Mums crew, may be adding a U 19 crew to the mix based out of Tauranga. Interest locally all suggests a growth in numbers down here as well.

Training is already underway for several of our crews who will be attending events in Australia over the next 6-7 months. We have a master's women, masters men, and a U 23 women's crew attending the world surf lifesaving champs on the gold coast in August. We then have the masters' men, and open women (combined OG mums and Other Mums) racing in the George Bass 7-day surfboat marathon on the Sapphire Coast south of Sydney over the new year period. This is a 190km race contested over 7 days.

Plenty to look forward to for boaties in the coming season.

As always, much thanks to our sweeps Steve Dickson, Ethan Atkinson, Richie Whinham, Clayton Kellett, and Shane Radovanovich. Thanks of course to our hard-working rowers.

Special thanks to financial support from Aqua Heat Industries, SDR Flooring Ltd, Carpentry Plus, North City Bricks and Blocks, and Black Dog Consulting, who also provide use of their facilities for our boaties to do ergs and store gear.

That'll do it.

Rado Boat Captain

### **Surf Boat Crews**

### **Sweeps**

Steve, Ethan, Richie, Clayton, Rado

#### **Open Women**

"Tumbleweeds" Alyx, Emma, Gemma, Hayley, Kelly, Steve

#### **Open/ Masters Women**

"Other Mums" Sharleen, Mare, Cara, Arlenna, Clayton "OG Mums" Sophia, Rachael, Jordan, Eleanor, Amy, Rado

#### **Masters Men**

Parksy, Martin, Steve P, Clayton, Richard, Steve D

#### U 23 Women

"Cicadas" Grace, Abbie, Piper, Geena, Ethan

#### U23 Men

"The Bird Baths" Otis, Hugo, Matt A, Mac, Heath, Richie

#### U 19 Women

"Lulu's" Ava, Hatti, Zoe, Kaya, Rado

### **IRBs**

The season kicked off with a number of development days, followed by a development weekend held at Riversdale Beach. A huge amount of experience was gained during this weekend with some challenging conditions. A number of Paekākāriki candidates were signed off as IRB drivers and we look forward to the coming season and getting a few more signed off.

A massive congratulations to all who gained their qualifications. We had 3 new IRB drivers, 6 new crew persons and 10 refreshed IRB drivers.

The competition calendar began with the Tangi Cup long haul race in which we had 2 crews racing - Hugo, Mac and Robbie, and Ben, Rhys and Riley. A big congratulations to Ben, Rhys and Riley for taking home first place.

Next was North Island Champs at Waipu Cove, again we had 2 crews racing - Dwight and Tyler, and Ben and Rhys. Both crews made several finals but with very challenging competition, no medals were taken home.

Looking towards next season, IRB training starts in a couple of weeks. The IRB instructing team will continue to run these with some new IRB instructors looking to join the team too. This is exciting and shows development and work we have been putting into our drivers. We look forward to growing our IRB team and hope to continue to see new faces in the Paekākāriki tent at IRB competitions this season.

Dwight Garton IRB Officer

### **Junior Surf**

Much like the build project for the new club house, Paekākāriki nippers have spent the last season laying a strong foundation for the club. A large focus for the year has been in building interest in our younger age groups, and it was exciting to start this season with Little Nippers, the club's first U7 age groups. The Little Nippers programme provided beach sessions for kids aged 4-6, with a focus on growing confidence and learning water safety skills. It has been a demonstration of the value that comes from the club community, with Amy Garton and Jordan McDowell leading the programme with other parents and lifeguards in the club. This has given an opportunity for lifeguards with younger children to remain engaged with the club, and to pass on their passion at an early age. It was an absolute joy to have the Little Nippers on the beach each week, the only thing bigger than their (slightly) oversized rashies being their smiles. We can't wait to have them back next season.

We also continue to see our numbers stay strong especially across the younger age groups. In total we had 124 financial members registered for Nippers this season, and a further 19 for Little Nippers. Despite the lack of facilities, we have had well over 70 kids on the beach some Sundays. This increase seems in part due to the positive publicity being generated by the clubhouse project and the excellent club communications provided by Elyse Robêrt. It is also a credit to the quality and culture of the junior surf programme. This year we had a large group of coaches, ranging from very experienced former athletes and lifeguards to parents wanting to be more involved. This included putting a number of new coaches through the SLSNZ Introduction to Coaching Junior Surf course and seeing a few of our parents refresh their lifeguard awards after a long break. For some, this meant tracking down a long-ago stored away Bronze award certificate, when SLSNZ record keeping wasn't quite up to date.

With all this support, we were able to have dedicated age group leaders on the beach. This has allowed coaches to engage with the materials provided for each age group within the revised SLSNZ Junior Surf programme. With even more interest expressed through the season, and support and mentoring coming from senior athletes and coaches, the nippers programme is well set up to move into the 2024/25 season. It is this help that makes the junior surf programme possible, so as always, a massive thank you to:

- Beach and board coaches Elouise, Ariki, Leigh, Hannah, Geoff, Darrel, Rebecca, Vicki, Amy, Jordan and Dylan.
- Our pool coaches, Marco, Neville, Lisa, Jenny and Stevie
- All the other helpers in the club, including Monique, Sandra, Sarah, Savannah, and Phoebe for helping with merchandise, sign-in, and officiating junior club champs.
- All the parent helpers for both Little Nippers and Nippers.
- All the lifeguards who help patrol the beach sessions and inspire the nippers to become lifeguards themselves.
- All our officials who make our carnivals possible Nat, Teri, Sarah & Shelley

The U8-U10 age groups have maintained large numbers from last season. It has been great to see a close cohort of kids come through these age groups this year, and to see them support and push each other as they begin to develop their board and surf swimming skills. With the number of nippers within the younger age groups, we were very grateful to receive a generous grant for new boogie boards from the Paekākāriki Community Board early in the season. Our youngest nippers are also a very competitive cohort, and it will be exciting to watch them over the coming seasons. Numbers within the U12-U14 age groups remained small, but the athletes within these age

groups all showed a consistently high level of commitment. Board training started in October with the whole trailer in use, and these numbers stayed high throughout the entire season.

Our Thursday night pool sessions were also a huge success this season. Nippers were active in both the programme and lap pool at Coastlands Aquatic Centre. The success of the programme pool and entry level lap pool levels have been particularly notable this year and has been the source of a lot of positive feedback from parents. By the end of the season, we had 45 nippers successfully renew or achieve their 200m badges.

#### **Carnivals**

Carnivals once again got off to a rocky start with the cancellation of Worser Bay due to heavy rainfall. Following this early setback we had very high numbers turn out for the Titahi Bay Carnival, with 52 nippers representing the club. Carnivals were also held at, Riversdale, and Lyall Bay. We had an average of 40 entries in the local Carnivals this season (up from 31 last year). Paekākāriki had a great turn out for the Capital Coast and Central region champs, achieving medals in events across both, and 11 overall age group winners at Capital Coast champs.

The Capital Coast Champs was held over two separate days due to poor conditions, with the second day being combined with the Whitehorse event in Lyall Bay. This allowed our junior and senior athletes to compete together and was a great source of inspiration and club spirit for our nippers. It would be great to see this opportunity again in future events.

Our season ended in March at Paekākāriki for our Junior Club Champs, where we had the best conditions of the season. We had 60 nippers competing, along with a group of Little Nippers getting their first taste of competing. We were very lucky to have Jenny from Siaosi Photography capturing the day. Lots of club families enjoyed the end of the season while enjoying food from the Foxton Fish and Chippery.

#### **Oceans**

We had a crew of 16 athletes travel to the Mount for Oceans. Oceans was again a massive highlight of the season. The sense of team spirit amongst the team was very strong and we will be expecting a lot of athletes to return next season. A particular highlight for me this year was the U14 boys board rescues. The two Paekākāriki teams (Asher/Jack, and Max/Nikau) both had clear goals that they worked towards throughout the season. This showed at the event with both teams having very competitive heats, and Jack and Asher progressing through to the semifinal. This group of boys have progressed through nippers together and it was excellent to see their work and camaraderie paying off.

All our nippers performed very well, and we had finalists across all age groups. A special thanks goes to Darrel Carnegie for his continuing support and coaches of the team after moving to the Mount midway through the season. A huge thank you also needs to go to our sponsors for their support to our team this year. Thank you to Pirtek Wellington for the awesome gear bags, and Pinnacle Construction Ltd and Actuary and Governance Ltd for the hats and shirts. And thank you again to Phoebe Edge for another very cool design. We really appreciate all your support!

### **Capital Coast and Central Region Champs Top 3 Placings**

U14 boys	Silver	Jack Chamberlain

	Boys	Girls
U8	Alasdair Ossont	Emilia Findlay
U9	Eliot Pearce	Indigo Eastham
U10	Lincoln Thomas	Annabelle Ossont
U11	Leroy Kavanagh &	Poppy Bethwaite
	Lachlan Tato	
U12	Humphrey Curtis	Jayme Parker
U13	-	Madison D'oliveira
U14	Asher Thomas	Lily Bethwaite
Surf Race	Asher Thomas	Madison D'oliveira

The Junior Surf shield was shared by Jack Chamberlain and Max Edge. Throughout the season Jack and Max show consistently high dedication not only to training, but also to leadership within the nipper community. We wish Jack and Max, along with Asher Thomas, Nikau Gibson, and Lily Bethwaite, all the best as they move into their lifeguard awards and senior sports next season.

Finally, a big thanks to our nippers for making this junior surf lifesaving season unforgettable with your participation and enthusiasm.

Henry Curtis Junior-Surf Coordinator

### Fundraising report

### **Grant funding**

Fundraising for this season has been primarily focused on raising revenue for the new building, however we have also had great support from our funding partners for sports equipment.

We have also been able to purchase much of our lifesaving equipment through the increased operational funding from Surf Lifesaving NZ (SLSNZ) so our fundraising efforts have been more focused on Surf boats, craft and IRB equipment. We are so grateful to have received the following grants and have used this to keep our equipment in good condition.

Funder	Purpose	Amount	Venues to support
One Foundation	2 skis and 1 foamy board	\$10,000	Punters Corner, Otaki
TAB	Boards and Skis	\$10,000	Sandbar, Mana
4 Winds	1 surf ski	\$4,000	Co-op, Whitby
NZ Community Trust	Nationals Accommodation	\$3,500	Family Hotel, Otaki & Sandbar
Lion Foundation	Towards new surf boat	\$10,000	Boundary Tap, Raumati
Paekākāriki Community Board	Boogie Boards	\$500	
Aquaheat	Towards surf boat equipment	\$2,000	

As always, we really appreciate these grants and encourage you all to in turn support of partner venues!

### Emma Norris Committee Member, Grant Funding

### **New Building funding**

Our fundraising Committee this year included Emma Norris, Sarah Sherriff, Fiona Balmforth, Peter Jones (PJ), Janet Holborow, Shelley Cheyne, Elyse Robert, and recent addition Hayley Goertzen. A great team who has some fabulous ideas and has been working very hard on various projects - they deserve a huge vote of thanks. Their support and mahi has been immensely appreciated!

Our aim at the last year's Annual Report was to have a minimum of \$3.2m by July last year in order to get things started by December. Due to a few hold-ups at Council around our Building Consent, this was a bit stymied, but thankfully the funding target was reached, and since last year we have managed to secure enough funding to confidently commit to stage 1 of the new building (closed in).

Special thanks to Matt for working so hard on the submission to SLSNZ which secured us \$1.4m to be paid out this July. That really got us over the hump to begin the project.

Emma and I are working together on finding more funders and I'm really grateful for the huge amount of time and energy Emma puts into this. We were very grateful that Pelorus Trust donated a further \$60,000 this year, with Pub Charity coming on board with \$40,000. A very generous Family Trust "the Phillip Verry Charitable Trust" also donated \$20,000 and thanks to that connection we have also secured some great discounts for timber through Red Stag. A number of companies have been put in touch with Homestead who are working with them to try to secure donated materials for the building, including Prysmian and Plumbing World.

Elite Arbiculture donated their mulching servicing during the clearing of the new building section and we continue to work with local companies who are offering in-kind help.

Other smaller amounts were raised through two fundraising events – the Casino Evening lead by the fundraising team and the Comedy Evening lead by the boaties. Thanks to both groups for all their hard work.

We have more fundraising events coming up this year, the largest of which will be our Legacy Wall which is soon to be launched and is being sponsored by the wonderful team at Wellington Splashbacks. Please support and share this fantastic opportunity to have your name on our Wall and be part of the great legacy of our club.

### Confirmed funding for new building 2023/24

Provider	Amount
Surf Life Saving NZ	\$1,400,000
Pelorus Trust	\$60,000
Pub Charity	\$40,000
Phillip Verry Charitable Trust	\$20,000
Casino Evening	\$6,540
Comedy Evening	\$3,360
Give-a-little funding	\$9,200
Gin fundraiser (Imagination)	\$4,670
Total	\$1,543,770

Karen Simpson-Warren Committee Member, New Building Fundraising Chair

### **New Building report**

This time last year we were looking forward to the start of the build and I am happy to report that the construction is underway now. We managed to find the funds to begin stage one, getting the building to the closed in stage, and cleared all of the pre-start and consent requirements to begin earthworks.

In the past year a lot of people have put in a huge amount of work to make this happen. Our fundraising team worked tirelessly to find the cash to get the build underway. A massive thanks must go to this team led by Karen, Emma and Sarah who have done a great job but know there is still a lot more work to go.

On the planning side we have been fortunate to have many skilled people working to get all of the boxes ticked for the construction to start. Hamish from HWA architecture has put in a massive effort to complete the consenting issues and get the drawing ready for construction. Nick Taylor from Cuttriss has been instrumental in navigating the pathway through the consents process. Both are still highly involved in the construction phase.

In March we had a ground breaking ceremony lead by Ngati Haumia and Ngati Toa to bless the site for construction. The turnout was great and we had members past and present mixed with the community to see Joost Brink and Lexie Garton turn the first sod, a very memorable occasion.

We have now handed the site over to Homestead Construction and Mills Albert Limited to begin the work on the project. It is fantastic to finally have the project underway. The contractors will be onsite for the next 12 months completing the build.

Finally, I must thank the management committee and various sub-committees who have spent many hours discussing reports, contracts, attending meetings and keeping the project alive. This time next year I hope we are talking about the official opening and how we will use the club in the future.

Matt Warren Building Sub-Committee

#### INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT

### To the Members of Paekakariki Surf Lifeguards Incorporated

We have reviewed the accompanying Performance Report of Paekakariki Surf Lifeguards Incorporated, which comprises the Entity Information, Statement of Service Performance, and the Statement of Receipts and Payments for the year ended 30 April 2024, the Statement of Resources and Commitments as at 30 April 2024, and Notes to the Performance Report.

### Executive Committee's Responsibility for the Performance Report

The Executive Committee are responsible for the preparation and fair presentation of this Performance Report in accordance with the Public Benefit Entity Simple Format Reporting - Cash (Not-For-Profit) reporting standard, for the selection of outcomes, outputs, and quantification of the outputs to the extent practicable and for such internal control as the Executive Committee determine is necessary to enable the preparation of a Performance Report that is free from material misstatement, whether due to fraud or error.

#### Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying Performance Report. We conducted our review in accordance with International Standard on Review Engagements (New Zealand) (ISRE (NZ)) 2400, Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity. ISRE (NZ) 2400 requires us to conclude whether anything has come to our attention that causes us to believe that the Performance Report, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This Standard also requires us to comply with relevant ethical requirements.

A review of the Performance Report in accordance with ISRE (NZ) 2400 is a limited assurance engagement. The Statement of Service Performance was reviewed in accordance with ISAE (NZ) 3000 (Revised). The assurance practitioner performs procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand). Accordingly, we do not express an audit opinion on the Performance Report.

Other than in our capacity as assurance practitioner we have no relationship with, or interests in, Paekakariki Surf Lifeguards Incorporated.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the Performance Report, including the resources and commitments of Paekakariki Surf Lifeguards Incorporated as at 30 April 2024 and its entity information, service performance and receipts and payments for the year then ended do not comply with the requirements of the Public Benefit Entity Simple Format Reporting - Cash (Not-For-Profit) reporting standard.
